From Edinburgh, Scotland, there are a large number of samples of wall paper.

From China there are toilet soaps and gloves made in Australia, France, Germany and Holland.

A calabash pipe made in Capetown, South Africa, and a calabash are among other samples at hand.

It is believed the calabash pipe may be profitably grown in the United States.

WILL ORGANIZE NEW BANK.

David R. Morgan to Have an Institution of His Own in Chicago.

CHICAGO, Dec. 24.—It was announced late to-night that David R. Morgan had resigned as vice-president of the First National Bank and that he would organize a national bank of his own within a short time.

Mr. Morgan's resignation takes effect January 2.

It was not made clear just why Mr. Morgan was severing his connection with the bank of which his brother, James B. Morgan, was president.

As James B. Morgan controls the First National, so will David R. control the new institution.

It is believed that the new bank will be capitalized at \$1,500,000.

"Associated with me," said Mr. Morgan, "will be some of the best known Chicago business men."

"Since the amalgamation of so many of Chicago's banks, and particularly since the failure of John B. Walsh's bank, there has been a demand for another strong national bank. Chicago's commerce is big and grows bigger every month. The volume of trade is double that of ten years ago, and yet there are fewer banks than then."

Building Trades Alliance to Get In.

It was announced yesterday that the Structural Building Trades Alliance of America, a national organization of local and national unions in the building trades, has decided to take place of the branch in New York without success, has at length made arrangements to organize a branch here.

A convention has been called to take place on January 8 in the Ashland House, at which a New York branch will be formed.

Only a few of the New York unions have agreed to join the alliance, but when the branch is formed efforts will be made to get more recruits.

New Trust Co. at Hartford.
